

Dear Prospective Patient,

Congratulations on your pregnancy! We are looking forward to following your pregnancy with you.

Please fill out the enclosed patient registration forms and bring them to your OB Orientation/Intake visit; it is generally recommended that small children do not attend. This first appointment will be completed at our Anchorage location. For subsequent visits, please let us know if you would prefer to utilize our Eagle River location.

Anchorage Women's Clinic files insurance claims for most primary insurances if we have received your benefit information at least 24 hours in advance of your appointment. If you have not provided insurance information, your account will be set up as self-pay and payment in full will be expected at time of service.

While the orientation visit is provided free of charge, there will be lab tests performed which are not. Lab charges typically cost about \$700. A urine pregnancy test may also be performed and billed unless you bring a pregnancy verification form with you. That will be an additional fee of \$59.

We recommend that you review your insurance coverage prior to your appointment as we do not guarantee payment coverage. Patient co-pays and deductibles are due in full at time of service. Please note that we no longer accept TRICARE, ChampusVA or VA.

For Medicaid or Denali Kid Care patients, your sticker/card is required at the time of check in or rescheduling may be necessary. If you do not have proof of insurance at the time of your appointment, you will be considered self pay. Payment in full will be expected at time of service.

Please feel free to contact us at 907.561.7111 or 800-WOMEN-41 if you have any questions.

We look forward to seeing you,

The Providers and Staff of Anchorage Women's Clinic
